AFOSI organized a focused mentorship and wellness session in Mukuru kwa Ruben, engaging 25 participants including persons with disabilities (PWDs), individuals living with HIV (PLHIV), and AFOSI staff. The session aimed to empower participants with coping strategies, self-care practices, and early detection of mental health challenges.

Key Achievements:

- *Reached 25 participants (9 PWDs, 11 PLHIV, and 5 AFOSI staff).*
- *Enhanced understanding of mental health, self-care, and financial literacy.*
- *Promoted informed decision-making through improved awareness.*
- *Strengthened peer support networks and collective empowerment.*

INTERNATIONAL WOMEN'S DAY CELEBRATION – MARCH 8, 2025

In partnership with the Youth Marketplace Agency (YOMA), AFOSI marked International Women's Day under the theme "Accelerate Action", convening 124 participants in Mukuru kwa Ruben. The event championed inclusivity by spotlighting young women's voices and actively involving male allies in conversations around gender equality. This approach fostered open dialogue, challenged societal norms, and emphasized the urgency of dismantling barriers to women's empowerment.

Key Achievements:

- *Reached 124 participants (84 women, 40 men), including PWDs, PLHIV, and young mothers.*
- *Promoted gender equality through inclusive dialogue and male allyship.*
- *Boosted awareness on career development and informed decision-making.*
- *Cultivated an action-driven mindset toward women's empowerment.*

RADIO TALK-SHOW: MARCH 19,2025

AFOSI, in partnership with the Association of Grassroot Journalists Kenya (AGJK), hosted a live radio talk show on Ruben FM themed Celebrating the Strength of a Woman in SRHR which was a vibrant and insightful discussion engaging the community on key issues affecting women's SRHR, particularly for those women living in informal settlements. The show explored challenges and rights of women, with specific focus on PLHIV and PWDs.

Key Achievements:

- *Reached an estimated 350,000 listeners through Ruben FM's coverage.*
- *Facilitated community engagement via live call-ins, WhatsApp messages, and social media interactions.*
- *Created a safe space for women to voice SRHR concerns and personal experiences.*
- *Raised awareness on sexual and reproductive health rights and available services.*
- *Emphasized the importance of digital inclusion and platforms like YOMA for youth engagement*
