JUNE NEWSLETTER 2025

RADIO TALKSHOW: 5TH JUNE 2025

AFOSI, in partnership with the Association of Grassroots Journalists Kenya (AGJK), hosted a live radio talk show on Ruben FM, focusing on SRHR and Mental Health Awareness. The discussion addressed critical issues affecting young women living with HIV and those with disabilities, emphasizing the importance of access to inclusive SRHR services, mental well-being, and youth-driven change. The platform also spotlighted digital tools like YOMA (https://yoma.world/) that enhance youth access to information, skills, and SRHR opportunities.

Key Achievements:

- *Reached an estimated 370,000 listeners through Ruben FM's coverage area.*
- *Promoted inclusive dialogue on SRHR, stigma, and mental health.*
- *Engaged the audience through live call-ins, SMS, and social media, encouraging real-time interaction.*
- *Empowered young women to become community change-makers.*
- *Highlighted YOMA as a platform for youth empowerment, job opportunities and digital learning*

WE LEAD PROJECT CLOSE-OUT MEETING: 6TH JUNE 2025

AFOSI hosted the We Lead Project Close-Out Meeting, bringing together key stakeholders, rightsholders, and community partners to celebrate the journey and collective impact of the project. The meeting provided a space to reflect on the transformative work done to advance the SRHR of young women, especially those living with HIV and disabilities

Key Achievements:

- *Reflected on the impactful milestones from the We Lead program over the years implementation.*
- *Celebrated the leadership and voices of young women in driving SRHR advocacy.*
- *Facilitated learning exchanges among partners and stakeholders on sustainability and scaling impact.*
- *Acknowledged the role of youth-led organizations in shaping policy, services, and safe spaces.*
- *Reaffirmed AFOSI's continued commitment to rights-based, inclusive health programs.*

SHERIA YA VIJANA PROJECT – PARTNER INCEPTION MEETING: 12TH JUNE 2025

AFOSI together with other implementing organizations convened a Partner Inception Meeting for the Sheria ya Vijana Project, to align on the project's goals, approach, and shared vision. Sheria ya Vijana project focuses on enhancing youth leadership, civic engagement, and capacity to drive the twin green transition through AI-powered digital platform, with a main focus on engaging, empowering and connecting the youth.

Key Achievements:

- *Strengthened collaboration and synergy among implementing partners.*
- *Introduced the project framework focused on youth leadership in governance and environmental action.*
- *Shared tools and strategies for building youth capacity in policy engagement and accountability.*
